

MEMBER LOAN CAMPAIGN

Financing a portion of our expansion costs internally will strengthen Mariposa by reducing our reliance on bank loans, allowing for a stronger cash flow position in the first critical years of operation after the move, and offering our members a meaningful way to participate economically in the cooperative that we own.

I am interested in making a loan of \$ _____

___ Option 1:

5-year loan at 3% simple interest

\$10,000 would earn \$1,500 (2.8% compound interest would yield \$1,481)

___ Option 2:

10-year loan at 3% simple interest

\$10,000 would earn \$3,000 (2.8% compound interest would yield \$3,180)

___ Option 3:

5-year loan with no interest

___ Option 4:

10-year loan with no interest
